Subject: AICTE- Internship Opportunities with stipend – Request to nominate a mentor from your institute –reg.

To: <registrar@srmist.edu.in>

Dear Sir/Madam,

Greetings from AICTE...

We are happy to share with that AICTE along with the Ministry of Housing and Urban Affairs is going to offer **internship opportunities with stipend** through National Internship Portal. Students will be engaged in AMRUT 2.0 scheme as an intern.

AMRUT 2.0 aims to contribute to the vision of a self-reliant and water-secure urban India by enhancing the infrastructure and services in cities and towns. Also, we have developed Amrutham a comprehensive Mobile, Web & Desktop application for paperless monitoring of tap water connections and sewage projects' progress and funding.

In this scheme, it is proposed that students from various institutes will verify the water connections using the Amrutham application and subsequently a mentor from the same institute will vet the work done by a particular student.

The stipend will be paid to students in these internship opportunities. To overall monitor and supervision, these internship opportunities, **it is required a mentor** from each institute. In this regard, it is requested to nominate a mentor from your institute and provide his/her details from the below given Google Form latest by **11th August 2023**:

<https://forms.gle/w671C4NrW4k8Keny6>

We are also glad to inform you that the Amrutham Application extends its coverage from 500 cities, as covered under AMRUT, to include all 4700 cities and towns across the country. The mission aims to provide 2.68 crore urban household tap connections during its implementation. The app intends to promote the gig economy and onboard youth and women, creating opportunities for them to participate in the project.

For any other clarifications, feel free to contact at internship@aicte-india.org

With Best regards,

Dr. Buddha Chandrasekhar,
