RULES AND REGULATIONS

Quality Objectives and Goals of the College

Students should take all efforts continuously and enable the college department to achieve these goals.

The following Rules and Regulations based on the present University Regulations would be followed. These are subject to change by the Institution from time to time.

1. Students should be **punctual** for lecture and practical classes and submit assignment, records, etc. in time.
2. A minimum of **80% attendance** both in theory and practical in all the individual subject is mandatory for each semester / year to enable students to appear for the University examinations. For practical classes students should have completed all experiments/ exercises as per schedule announced in the beginning of each semester/ year.
 - 2.1. A student who fails to secure 80% of attendance in any individual course during a particular semester / year will have to seek **readmission** in the same semester / year and complete the stipulated percentage of attendance after which the student is eligible for appearing in University examination.
 - 2.2. If a candidate fails to secure a pass in a particular course it is mandatory that he / she shall **register for the examination** in that course during the next semester / year when examination is conducted for that course. He / She should continue to register and reappear for the examination till he / she secures a pass. The internal assessment marks obtained by the candidate in the first attempt shall be retained, considered and valid for the subsequent attempt. Any student willing to improve the sessional marks can write an improvement sessional examination.
3. Attendance in **tests and model examinations is compulsory** and leave of absence will be granted only in rare cases with valid reasons, such as any ailment.
4. Students should maintain good academic progress on a continuous basis.
5. Students should maintain **satisfactory progress** on all fronts.
6. Students should **equip** themselves with weight boxes, weighing

- bottle, calculator, lab coats and record note books.
7. Students should maintain **good conduct** inside and outside the classes.
 8. Corrective actions proposed by the Department to maintain academic excellence should be strictly adhered by the students.
 9. **Ragging in any form is strictly forbidden and severe action will be taken against those who indulge in such activities as per the Tamil Nadu Prohibition of Ragging Act No.7 of 1997.**
 10. It is compulsory that a **leave letter in approved form** should be submitted for every day / period of absence. Repeatedly failing to submit leave letter could result in suspension from classes for a period of time.
 11. Leave letters should be **signed / counter signed by parents / guardians/ Hostel warden**. Leave, wherever possible, prior permission must be obtained. A fitness certificate should be produced while rejoining. Medical Certificates should be submitted immediately upon their return to the classes.
 12. It is important that all students are to be present on the reopening **day as well as on the closing day**. Absence will be permitted only for unavoidable reasons. Fine will be suitably levied for absence on reopening day and closing day of the semester / year.

22. Students admitted to the college hostel, shall abide by the **rules and regulations of the hostel** as existing at the time of admission and as amended from time to time.
23. A student **dismissed from the college shall automatically cease to be a member of the hostel.**
24. Discipline: Students should **maintain discipline.** Smoking, consumption of alcohol, usage of addictive drugs, etc., are prohibited and those found doing so will be dismissed immediately.

GOVERNMENT ORDER ON RAGGING

➤ Important Note

You must be aware of the serious dimensions that the ragging activities in colleges have risen to and the resultant menace and detrimental social consequences of such activity. We at SRM University are fully cognizant of the problem and are determined to enlist the cooperation of the parents of the students to tackle the menace. We are consequently addressing this amply to the parents and students of the college, to assist in this effort.

The Tamil Nadu Government has passed an act, ACT No.7 of 1997 in Legislative Assembly. The Extract of the above Act is as follows.

Extract of Act No.7 of 1997

1. Prohibition of Ragging

Ragging within or outside any educational institution is prohibited.

2. Penalty for Ragging

Whoever directly or indirectly commits, participates in abets or propagates "ragging" with or outside any Education Institution, shall be punished with imprisonment for a term which may extent to two years and shall also be liable to a fine which may extent to ten thousand rupees.

3. Dismissal of Students

Any student convicted on an offence under this section shall also be dismissed from the Educational Institution and such student shall not be admitted in any other educational institution.

4. Suspension of student

Without prejudice to the foregoing provisions, whenever any student complaints of ragging to Head of an Educational Institution or any other person responsible for management of the Educational Institution he/ she shall inquire into the same immediately and if found true shall suspend the student, who has committed the offence, from the Education Institution.

Demonstrate behaviour that recognizes cultural and personal variability in values, communication and lifestyles. Use ethical frameworks; apply ethical principles while making decisions and take responsibility for the outcomes associated with the decisions.

8. ***Communication*** : Communicate effectively with the pharmacy community and with society at large, such as, being able to comprehend and write effective reports, make effective presentations and documentation, and give and receive clear instructions.

9. ***The Pharmacist and Society*** : Apply reasoning informed by the contextual knowledge to assess societal, health, safety and legal issues and the consequent responsibilities relevant to the professional pharmacy practice.

10. ***Environment and Sustainability***: Understand the impact of the professional pharmacy solutions in societal and environmental contexts, and demonstrate the knowledge of, and need for sustainable development.

11. ***Life-long Learning*** : Recognize the need for, and have the preparation and ability to engage in independent and life-long learning in the broadest context of technological change. Self-access and use feedback effectively from others to identify learning needs and to satisfy these needs on an ongoing basis.

PROGRAM EDUCATIONAL OBJECTIVES (PEO's)

Upon completion of the course, graduates will have:

1. Acquired high quality technical education through innovative teaching and research programs.
2. Thorough knowledge in various fields of Pharmaceutical sciences catering to the needs of Pharmaceutical industry, community and hospital pharmacy with necessary skillset.
3. Effective communication skills and capability to be leaders in health sectors with ethical attitude, communication and teamwork.

UNIVERSITY RESEARCH COUNCIL

Fostering research has always been a priority at SRM Institute of Science and Technology (SRMIST) by making it as a research-driven institute of national importance. SRMIST has been providing strong support through providing huge infrastructure for the researchers. High-performance computing facilities is one of the niche facilities offered by SRMIST, and it is the only privately funded institution which has created such facilities almost 5 years ago. Given its importance to the theoretical researchers, the facility is being expanded through cloud resources as well. A separate research building, Raman Research Park, is dedicated to research. Central Research Facilities (CRF) host state-of-the-art facilities aimed at serving both researchers from SRMIST and outsiders as well. The research activities in SRMIST include academic research, sponsored research, and industry consultancies.

Composition of the Committee

The Committee shall comprise

Chairman	: Vice Chancellor
Vice Chairman	: Director / Joint Director (Research)
Ex-Officio Members	: Pro Vice Chancellors Registrar Controller of Examinations All Faculty Directors All Faculty Deans Chairperson of the Schools
Members	: 3 or 4 faculty members duly nominated by the Chairman in the Professor, Asso. Professor and Asst. Professor Levels
External members	: 3 Professors from reputed Research Institutes and 1 eminent person from an Industry, nominated by the Chairman
Member Secretary	: Dean (Research)
