

Recreate this ad for Heinz with The Tropicana bottle to show how the orange juice is freshly squeezed and all natural

The advertisement features a Tropicana Smooth Orange juice bottle positioned on the left side of the frame. The bottle is designed to look like it is made from a single, large orange that has been sliced horizontally to reveal its segments. A real orange slice with a green leaf is placed on top of the bottle's cap. The main label on the bottle reads "Tropicana" in green, "SMOOTH ORANGE" in blue, "WITH NO BITS" in blue, and "100% FROM NATURAL ORIGIN" in small blue text. Above the main label, a red label on the neck of the bottle says "ONLY £1.25". To the right of the bottle, the text "No one squeezes juice like Tropicana." is written in white, sans-serif font. Below this text, the Tropicana logo is displayed again in a larger, stylized font.

Made a madmen style advert for Firepit: Firepit is on a mission to reignite real human connection.

In a world of endless scrolls and surface-level chats, we create moments that matter — powered by truth, curiosity, and a little chaos. Through bold questions and unexpected conversations, Firepit helps people drop the small talk and truly see each other. Whether it's friends, strangers, or something in between, Firepit sparks the kind of connection that lingers long after the moment ends.

Remember when conversations lasted longer than your cigarette?

In a world spinning faster by the second, Firepit is a gentle flicker in the noise. A pocket-sized prompt to slow down, lean in, and ask these questions that matter. Because sometimes, all it takes is one bold question to bring people back to life.

This is a template for an advertisement. It features a large, semi-transparent rectangular overlay centered on the page. Inside this overlay, the words "meet the" are written in a cursive, lowercase font above the word "RIDGE" in a large, bold, uppercase font. Below "RIDGE" is the word "WALLETS" in a slightly smaller, bold, uppercase font. To the left of the text, there is a view of the front of a Ridge wallet, which is light green with four circular holes on each corner. To the right of the text, there is a view of the back of the Ridge wallet, which is also light green with the word "RIDGE" printed vertically on it. A small portion of the side of the wallet is visible between the front and back views.

To the right is another dark rectangular box containing "Energy" and "6h 15m", also with a progress bar. A curved arrow points from the "8h 07m" box to the "6h 15m" box, labeled "save 2 hours". Another curved arrow points from the "6h 15m" box to the word "better" above it, which is followed by an upward-pointing arrow. At the bottom is a blue can of MOVE Original energy drink. The can has "ENERGIDRIKK" at the top, "MOVE" in large letters, "ORIGINAL" below it, and a small "L" symbol at the bottom. The background is dark with a subtle gradient.
